PRODUCT DATA SHEET

PERFORMER

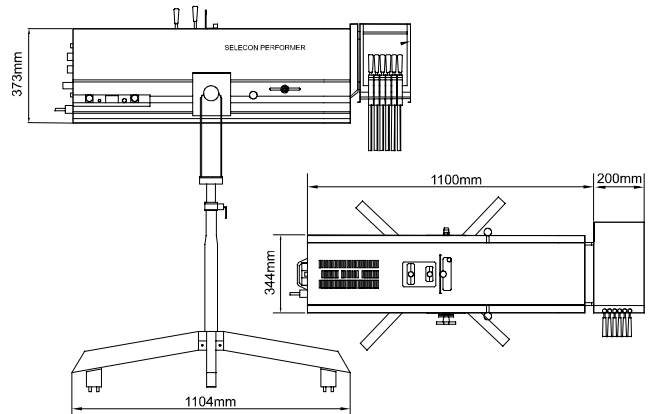

QUARTZ FOLLOWSPOT

A 2500 watt tungsten halogen followspot designed for venues with a throw distance of 25-30 metres. Aimed at the mid range market, the Performer Quartz is fully featured, has excellent light output and is reasonably priced.

FEATURES

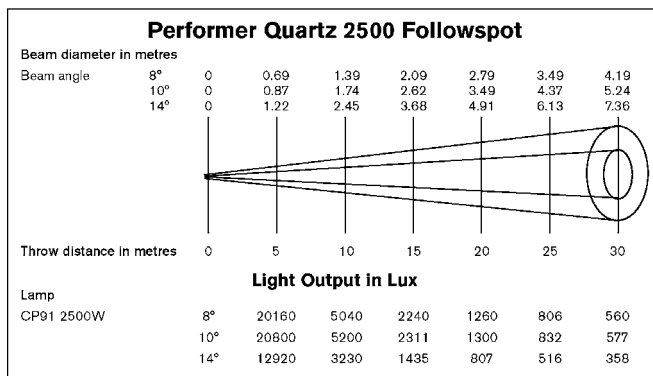

- Zoom operation 8°-14°.
- Strength and rigidity from aluminium extruded chassis that also forms guide handles.
- Balance point and guide handles can all be positioned as required along the length of the luminaire.
- Operational controls positioned together on top of the followspot, iris and mechanical dowsers.
- 6 way colour changer accessory available.
- Followspot dimmer module available as an accessory.
- Left or right hand side operation.
- Compliant to CE standards.
